VOLUNTEER SIGN-UP DESCRIPTIONS

As you know, we ask that all M5C families commit to volunteering at the school 6-hours per child to earn their annual 6-hour work commitment. This year, with less opportunities to assist with school events, we have come up with some other activities and we need volunteers for ongoing work commitment projects. Please see the list below and let us know if you are interested by signing up on the Volunteer Sign-Up sheet.

Classroom Launderer: Take home class towels and rugs once per week to wash and return (approx. one load for each).

Foyer Caretaker: Water plants weekly. Feed and water the birds twice a week. Clean the birdcage once per month.

Handypersons: From time to time we need someone to do minor repairs (fix a table leg, repair a tricycle, replace a fence panel, etc.). We'll call you on occasion and arrange a time to have things repaired as they come up.

M5C Sharing Librarian: We would like to start a M5C Sharing Library and need help with start-up and maintaining the books and the space.

M5C Mailperson: In an effort to “mingle” during these challenging social distancing times, we are going to hang a mailbox for M5C Families to communicate with one another. Children can write letters, draw pictures, something small that can fit into the locked mailbox and they can “address” it to their friend and our M5C Mailperson will sort and deliver the mail once per week to the child's sign in/out page. Parents can also choose to share their contact information with another child's family in order to set up playdates with other children within their class bubble – just attach the note to the child's sign in/out page. (For privacy reasons, we do not share your personal information.)

Digital M5C Recipe Book Coordinator: This school-year we can't invite visitors into the building to provide the children with cultural presentations (on history and holidays) and we cannot share our cultural recipes at our Potluck, so we would love it if a parent would volunteer to collect recipes and photos of their child preparing the recipe and create a digital 2020-21 M5C Recipe book to share with the community before the end-of-the-year holidays.

There will be other work commitment opportunities throughout the year, so keep an eye out! Additionally, we'll be in touch with you to discuss the volunteer project.
